

Tips For School Success

Parent Tips

1. Make friends with the teacher and principal. People are more willing to work with you to support your child if they like you and you treat them with respect.
2. Know the number, name and email info for the school secretary and your child's teacher.
3. If a kid needs a fidget tool, make sure to check that it is not broken and replace regularly

Parents, and Student Tips

1. Set your alarm for the same time every day. Catch the same bus at the same time each day.
2. Be on time for every class.
3. Have a regular consistent time for homework
4. Break down homework assignments into smaller more manageable tasks.
5. Use visual schedules to help with morning and afternoon routines.
6. Use school agenda book for notes back and forth from teacher
7. Make lunches the night before
8. Use ice packs for lunches to keep juice boxes cold
9. Get your child to help choose snacks for their lunch or help pack their lunch the night before

Student Tips:

1. Make a chart (list the day of the week and subject) to hang in your room or take with you each day to record any work/ homework or assignments you need to complete.
2. When reading textbooks or assignments: Use different colors of highlighters to highlight different information.
3. Practice reading with things you enjoy. (comic books, magazines, newspapers)
4. Find out what kind of learner you are: Do you learn by doing, seeing or hearing? Ask your teachers to help you find ways to learn in this way.
5. Ask the teacher for help if you don't understand something immediately.
